PRESIDENT'S REPORT 2020-21

This summer was like no other.

Due to the COVID pandemic, the Nationals due to be held in Sydney at the conclusion of the 2019-20 season were cancelled in the week prior as well as the entire AV XCR season.

The 2020-21 summer season of how and what we provided for the athletes, was always dependent to what COVID restrictions were in place at any time.

We were fortunate in Geelong that the City of Greater Geelong kept access to Landy Field open to enable the Geelong community to train, albeit in a COVID safe way. However, I'm not thoroughly convinced all attendees did comply with COVID safe practices.

Other country and metropolitan venues were locked denying access for any training.

Other casualties of COVID were the cancellation of the Twilight Trot and the Steigen Spectacular, mainstays of our summer season and as well as the Victorian and National Allschools Championships.

The summer season finally got underway in Geelong on Saturday 28th November20.

In order to provide some form of competition, due to COVID restrictions, competition was conducted in one-hour sessions, 3 of each on each competition day with a choice of 4 events, 2 track and one of each, a jump and short throw. This format was used for the first four rounds of AVSL.

All athletes were required to enter on line with no "on the day" entries and all patrons entering Landy Field requiring to show the CS sports app, QR code or sign in manually.

Also, with pre-entry, all track events were pre seeded which assisted with their conduct, however, there were some heats with minimal numbers, eg. 2/3 out of 8 entrants actually competing.

Some found this format favourable as athletics only took an hour, however, conversely, the events offered were limited with no hurdles, distance, steeple, relays, vertical jumps or long throws(javelin/hammer).

Fortunately, with the easing of COVID restrictions, other events were introduced into the timetable after the Christmas break.

And to highlight the fragility of the COVID environment, round 7 on Saturday 13th Feb21 was cancelled the day preceding at all venues and this round was not re scheduled.

Furthermore, AVSL Round 9 on 13th Mar21, even though we in Geelong had completed our programme locally, no points were scored as the metro venues were cancelled due to bad weather.

Following an initiative of Marila Kozdra, Geelong Athletics hosted a Kids Plus race running event on Saturday 13Mar21 prior to the AVSL programme which introduced children to our sport. The event was also highlighted on the ABC television news that evening.

Round 10 of AVSL was re scheduled to Sunday 21st Mar21 as GLAC conducted their Geelong Championships on Saturday 20th Mar21.

AVSL playoffs on Saturday 27th March21 saw Chilwell win Division 2 and Athletics South West win Division 5. Wyndham, a regular at Geelong AVSL, won Division 3.

Athletics South West, who are based in Warrnambool, have made application to AV to be attached to the Geelong Region. We welcome this initiative.

Geelong hosted the AV David Baxter 100 yard championships on Sat 9Jan21 with Jack Hale breaking the Australian record which stood for 55 years, with a time of 9.43s(+2.0) which was subsequently bettered by Rohan Browning, with a time of 9.41s.

We not only congratulate those athletes who won medals at the Victorian and/or National Championships, achieved qualifiers for World Junior/Olympic/Paralympics but also those who achieved PBs during this most unusual of athletics seasons.

We also congratulate our officials:

- Heather Holzer, Regional Official of the Year for 2019-20,
- Pauline Zuccolin, Athletics Victoria 30 year service award.

With the circumstances of this unusual summer season, the Board decided to base the Geelong Interclub Trophies on the AVSL scoring.

Geelong Athletics need to consider for next summer:

- a. Do we/should we provide invitation events each week at AVSL?
- b. Due to lack of walks judges, we didn't provide walks events after Christmas. Should we provide them irrespective, and is this fair to the athletes anyhow? So, the resolve is to get more walks judges trained and qualified.
- c. Do we restrict some event entrants to only Geelong athletes, eg. hammer?
- d. Do we continue with twilight meets in January?
- e. More qualified officials to spread the workload.

The Geelong Athletics Rules and By-Laws need to be reviewed and updated to reflect what we are and what we do.

Financially, Geelong Athletics continues to be financial, however, we need to note that, due to COVID, our incomes streams were severely affected, namely:

- Twilight Trot, no events, no income.
- Schools equipment, in 2020 we had 19 cancellations,
- We received \$7,500 from AV for 2020-21 compared with \$11,000 in 2019-20.

Conversely, City of Greater Geelong did not impose a hire fee for the summer season, a saving of \$5,000, however, there was the reduced licence fee.

We were also successful in receiving a community sport COVID survival grant of \$6,357 as well as state government grant of \$1,000 with a top up of \$1,500.

We congratulate Grant Simpson who was awarded the Veterans Award at the country championships in Ballarat.

In this unusual season, special thanks to all the officials and club helpers as the programme is so dependent on their valued contribution.

Thanks to:

- Andrew Webb, Marila Kozdra, Geoff Marshman and Joanne Lambert for their specific contributions before, during and after each shield round which many take for granted when they come to compete.
- My fellow Board members, Vice President Graeme Watkins, Secretary Anna Devonish, Treasurer Reagan Peart, Officials/Coaching Anula Costa, Technical Jonathan Burns and Records/Registrations Joanne Lambert for their valued contribution and support.
- Those who volunteered to “make it happen” and their input to improving athletics in Geelong. There are those “behind the scenes” in an unofficial capacity who undertake various tasks to assist the board in providing competition for our athletes. And the number of such volunteers is diminishing putting undue and unwarranted pressure on them to provide what the athletes want. However, we still collectively have difficulty in filling sub committees.

There will be vacancies on the Board at the end of this 2020-21 season. There seems to be a reticence to be involved and leave to others “to make it happen”, leaving it to the “same old, same old” who need to take on multiple roles to ensure Geelong Athletics functions and provides competition for our athletes.

Well it’s time for a generational change and maybe a realisation of and appreciation of what is actually required to “make it happen”.

We still require more qualified and registered officials weekly to manage the conduct of the sport. We have had instances of athletes missing out on qualifiers or records. We are reliant on club helpers to put on events, yet athletes just want more.

The number of people willing to give of their time during the season and on Saturday afternoons is diminishing even further, thus putting extra burden on those who are left and still involved. I repeat *again and again*, to use the cliché, “many hands make light work” cannot be overstated.

We encourage all to becoming a qualified and registered official gives all of us the opportunity to be involved “in the action” and also assist in improving the presentation of events.

It is important that we all treat each with respect, athletes/athletes, officials/officials, athletes /officials., parents-coaches/officials. Our great sport is recreation for ALL of us, that is why we partake in our sport, officials and athletes alike. Unfortunately, there have been several instances where the officials and club helpers have not been shown due respect for what they contribute to our sport. This attitude is driving and has driven our well-meaning officials and club helpers out of our sport.

Some “outside the fence” have a very narrow view, “all about me” syndrome.

Officials volunteer their time; they are not paid and give it generously to assist the athletes to achieve their own personal bests.

Finally, I thank and acknowledge all the families, coaches, officials and club administrators who give of their time so generously to provide the athletes the opportunity to participate in their chosen sport. I trust their support is reciprocally appreciated.

SECRETARYS REPORT 2020-21

As I sit to write my first report as Secretary, I struggle with the challenge on how to adequately reflect on a year that has been difficult, challenging, unique – there are just not enough words to do it justice.

I joined the Board in August 2020 not even knowing if we would have a season due to Covid-19 let alone not having a full appreciation of the role of the Geelong Athletics Board nor the expectations of the role. I can say that it has not been easy – but whatever is? I think the challenges faced by all involved have done nothing but to build on their resilience and determination to continue to pursue their passions despite the obstacles placed in their way.

I have nothing but respect and admiration for my colleagues – both on the Board, the track and the field – for their commitment to provide a season, albeit very different, and to do so with as little inconvenience as possible whilst providing a safe environment for all.

This season has shown a spotlight on the skills, expertise and experience we are very fortunate to have within our Geelong region community. It has enabled the very rapid development of Covid Safe plans for the conducting of athletics – in and of itself – no small feat! It has shown insight and flexibility with the development of the seasons programs to attempt to enable all events to be conducted at least once. It has conducted the events with its usual efficiency. We have welcomed back old friends, solidified friendships and warmly embraced new friends who regularly travelled great distances to compete. We have received such fantastic feedback from our “new” clubs who have thoroughly enjoyed the friendliness, helpfulness and over-all “feel” of the Landy Field community.

To my fellow Board members – thank you. Thank you for your tolerance of my incessant, never ending questions, thank you for your sharing of knowledge and insight, thank you for your patience and thank you for enabling us to have a very successful season despite the odds.

To the Clubs, Officials, Club Helpers and Athletes – thank you for not giving up on the sport. Your commitment to Athletics is a reflection of your dedication to the sport and not hopefully next season we can get back to some sort of normal.

To our President – Richard – the biggest thanks of all. Richard is a man who hates a fuss and does not enjoy public acknowledgement of his contributions which are both locally as well as nationally and internationally. Richard was awarded his AA Platinum 40 Years of service as an Official this year as well as being nominated as the 2020 VicSports Volunteer of the Year as has been a fantastic leader in this season and the key driver behind our ability to have had a season at all in Geelong – thank you.

To those thinking they can perhaps do more – please do. Often too much is expected of too few and one of our biggest challenges going forward is to have adequate support to enable Athletes to participate. So – consider Board positions within Geelong Athletics or your club, take time out to gain your officials or coaches accreditation, push out the hurdles trolley or rake the jumps pit – it all makes a difference.

TREASURERS REPORT 2020-21

The COVID-19 pandemic restricted the association's ability to operate during the financial year. In turn this has reduced income from school bookings and athletic events. However, government grants have assisted in offsetting the financial loss suffered. Overall, the association achieved a cash deficit of \$15,611 in financial year 2020-21.

The operating deficit was the result of significant equipment purchases. Items purchased include a new cover for the pole vault mat, new wheels for the pole vault shed, four branded gazebos and three heavy duty trolleys. Additionally, a new high jump mat was purchased with a 50% contribution from GLAC (received April 2021). Despite the deficit, year-end cash at bank was \$72,016 suggesting the association is in a strong liquidity position.

School bookings due to take place early in the financial year were cancelled or postponed until early 2021. This resulted in equipment hire income reducing by 67% upon the previous year. On a positive note, March 2021 saw 12 school bookings completed with a further 5 taking place in the following month. Equipment hire income is expected to increase in financial year 2021-22 in light of eased restrictions.

Two major sources of income were the Community Sport COVID-19 Survival Package grant and the reimbursement of cost by Athletics Victoria. The support provided by Athletics Victoria continues to be valuable in facilitating the associations operations.

During the year, the committee made the decision to close the bank accounts held with ING due to issues around updating past signatories. All monies are now held in the CAB account.

I look forward to a great year to come.

COACHING & OFFICIALS PORTFOLIO MANAGERS REPORT

Coaching:

Geelong Regional centre has been very wealthy of outstanding experience coaches. Last four (4) years with my position has been mainly liaise with technical manager to upgrade appropriate equipment and training facilities at Landy field.

Last 20 years Geelong centre has been stepping forward very fast from less than 10 qualified coaches to over 35 coaches currently. The coaching Portfolio position has minimum involvement currently compared to early 21 years ago. Those early days it was a great connection between two centres for junior development pathways. Extended coach education programs were successfully conducted at Geelong region for further development and improvement of current successful coaches now. I take this opportunity say a big thank you to all fellow coaches who has been supporting whenever needed.

Officials:

Another season has committed for the vacant Officials' Portfolio position to organise officials for the shield competitions on Saturday afternoons as well as specialist meetings. I would say it has been the best season with excellent support from most of the clubs and their volunteers' assistance. With a great pride Geelong Officials and club volunteers highlighted their expertise at the Victorian Country championship, State Championships and the national championship. We are always grateful and thank you to all other officials traveling from other regions to assist us at all times. Geelong Athletics have highly appreciated Wyndham Athletics club officials and volunteers for their commitment and support this season and thank you.

On behalf of the Geelong Athletics board, I appreciated Mary McDonald's contribution for awards selection committee with Joanne Lambert. It has been great pleasure to work with both of them for several years now for serious and fair discussion for selections. Over twenty (20) years I had the great passion, commitment & love where I have put my time and effort to my favourite sport. Also, the connections, friendships, mentors, great athletes and the network I have developed through my passion for this sport has been amazing. The Geelong is a great hub of sports where I have enjoyed my time.

But now I would say it is time for someone and I have lifted the bar high.

I would like to THANK YOU fellow coaches, officials, all club Volunteers, Team managers, athletes, parents and my fellow board members for your assistance during the outgoing domestic athletics season and at all times. My positions at Geelong Athletics board (Officials, Coaching & Geelong Regional Coordinator (AV)) have been memorable time of my life, liaise with so many different people & athletes certainly a great experience.

My special mention & respect goes to Beth Baurer, Richard Lawysz, Pat Agg, Dianne Alsop, Mandi Cole, Pauline Zuccolin, Lorraine Sawyer, Joanne Lambert, Mary & Geoff McDonald for welcoming me to Geelong and given strength & support for my entire period at Geelong Athletics Board. "THANK YOU ALL".

TECHNICAL PORTFOLIO MANAGERS REPORT

The uncertainty of the season starting and how we would handle the year with the new Covid rules was a challenging one. But one that we met as a club very well. Everything seemed to go smoothly in those earlier weeks and when the season started proper, we all knew what we had to do.

The main purchases for the year were cleaning products and sprays to help keep our equipment clean and as Covid safe as possible.

A shot put return system was designed and purchased to help eliminate the man handling and carrying of the heavy shots by our volunteers. This worked well but will require some tweaking for next season.

The board has given the go ahead for purchases of our own shade structures, weights and new trolleys as well as a new cover (topper) for the senior high jump bag for use in season 2021/2022.

A big thankyou to Michelle Murrant who has become our caretaker for our school bookings, which is an important money raiser for Geelong Athletics. Her help is greatly appreciated.

In closing this year was my last as equipment manager for the Geelong Little Athletics. A role that I had done for many years. It was a role which had many challengers and learnings that I have been able to bring to Seniors.

Thanks to all that have assisted me this year and I'm looking forward to season 2021-22

JONATHAN BURNS
TECHNICAL PORTFOLIO MANAGER

MARKETING & PUBLICITY PORTFOLIO REPORT

Unfortunately, this Portfolio position has been vacant this year and it has fallen to other members to maintain some of our social media presences.

The Geelong Athletics website is currently being updated for content relevant to the forthcoming season 2021/22 as there was no capacity to maintain this during the season.

We were very fortunate to have Steve Colquhon (from Chilwell Athletics) to kindly take photos throughout the AVSL meets to share with our athletics community via Facebook. Review of our Facebook insights has shown a 273.3% increase in patronage and has been a very reliable way to communicate with our community during the pandemic.

We were lucky to be able to hold our summer awards presentation evening in person this year (unlike last year) and this was well attended. We also livestreamed this event on Facebook which enabled us to reach an additional audience of over 500 thanks to Marila Kozdra's technical abilities.

The Geelong Advertiser has continued to be very supportive with a number of articles throughout the year recognising the achievements of our athletes including photos and results from Nationals. The Geelong Independent this year featured a fabulous write up of our President, Richard Lawysz, and his significant contributions to athletics both via service to Geelong Athletics and as an Official. This year also marked the acknowledgement of 40 years of service as an official by Richard with his Athletics Australia Platinum award and his nomination for the VicSports Volunteer of the year. Anula Costa was also a finalist for Coles Community Hero and was unfortunate not to take out this award.

This year Marila Kozdra, in conjunction with the Kids Plus Foundation, helped organise a Race Running event at Landy Field which was showcased on the ABC. This was a terrific example of how we are trying to promote and grow this sport for all.

Rising sprint star Jack Hale broke the 55-year-old Australian record for the 100-yard dash at Landy Field creating excitement in national press and on social media. AV were cited as saying "Landy Field's reputation as a reliably fast venue was bolstered by strong performances from Hale, Jake Penny (GLG) and Dhruv Rodrigues Chico (SAN) – rounding out the podium in 9.54sec and 9.64sec respectively." Hale himself was quoted as saying:

"I do believe Geelong, for any additional sprint meets, would be brilliant. It's only an hour and half drive for most people in metro Melbourne – so to get there and get on the fastest track in Victoria that generally produces some nice tailwinds... it would be silly for more people not to get involved in those meets. I think taking the opportunity to run in Geelong when you can, would be critical for any sprinter looking to run a quick time."

SUMMER PORTFOLIO MANAGERS REPORT

Please note that the President has included, in his report, a report with regards to the Summer Portfolio therefore no separate report has been included.

WINTER PORTFOLIO REPORT

Due to the Covid-19 pandemic, no Winter Portfolio Report has been prepared. The position of Winter Portfolio Manager was vacant for the season.

TWILIGHT TROT REPORT

Due to the Covid-19 pandemic, no Twilight Trot was held in Season 2020-21 and no report has been prepared.
